## **Expectations of DANCE est Joie, Inc Members**

### **Rules for a good relationship**

When a dancer is accepted into the dance company, the dancer and the parents must make the choice to accept and follow the rules and guidelines set by DANCE est Joie, Inc. These rules are as follows:

Speaking about our studio, a student or our staff in a negative voice puts your child in a tug of war between us and their teammates. Negative conversations inside our school are unacceptable. For every action, there is a reaction. Let's teach our dancers to accept decisions with dignity and grace. By creating responsible dancers, we are also contributing to their growth as responsible human beings. Dance education cannot always be a "feel good" experience. To discuss any situation concerning your dancer, email [danceestjoie.inc@yahoo.com](mailto:danceestjoie.inc@yahoo.com) or call the studio to set an appointment. Do not contact a staff member by text message, phone call, personal email or social media messaging accounts.

All GDDS classes and DANCE est Joie, Inc. rehearsals (solos, duos, trios and groups) are closed. Classes and rehearsals may be viewed from outside the classroom and the viewing windows.

All trophies, videos, audio clips, score sheets and critiques are the property of DANCE est Joie, Inc. Trophies earned for solo performances may be kept by the soloist.

Bullying of a student or a teacher is unacceptable and is grounds for dismissal.

Dancers prepare and rehearse their competition routines with DANCE est Joie, Inc. staff members only, unless an approved guest choreographer is available.

DANCE est Joie, Inc. company members dance exclusively at Grayce DeWitt Dance Studio. Participation in school sponsored teams is acceptable.

A completed DANCE est Joie, Inc. Member Agreement for the 2021-2022 dance school year will be required for all dance company members. The agreement will be available following the DANCE est Joie, Inc. Guardian and Dancer Information Meeting on Monday, June 7th, 2021. The agreement is due by Friday, June 11th, 2021.

### **Attendance**

Attendance is mandatory for all dance classes and rehearsals. We do our best to be flexible and accommodating with conflicts due to school and/or important family activities. However, by becoming a member of a team, you have agreed that this is a priority in your schedule. Missed classes for any reason other than illness or family emergency must be approved in advance. Please do not ask if it is okay for your student to miss a class or a rehearsal. This decision must be made by the parent and dancer. Student absences will be recorded. Details about attendance are listed below:

Company Rehearsal Attendance: Dancers will be allowed three (3) total absences per dance in each semester. Any additional absences other than the three (3) total absences per dance per semester is prohibited. Any time an absence occurs, the dancer is responsible to learn what was missed before the next rehearsal, either with a private lesson or from a friend. If more than 3 unexcused absences have occurred, and the dancer has not met with the instructor/choreog-

rapher or friend to learn the missed material, it is possible the dancer may be removed from the competition routine. In addition, tardiness is unacceptable. If a student is late to rehearsal, it may be classified as an unexcused absence. Missing the first part of a rehearsal causes the students to become behind on stretching and warming up which can lead to injuries.

**Studio Class Attendance:** Dancers will be allowed three (3) total absences per class in each given semester. Notification of the dancer's absence is acceptable by calling 479-783-7748 during business hours or emailing [danceestjoie.inc@yahoo.com](mailto:danceestjoie.inc@yahoo.com) or [graycedewitt@yahoo.com](mailto:graycedewitt@yahoo.com). Texting a staff member is not an acceptable form of communication. Any additional absences other than the three (3) total absences per dance per semester is prohibited. Any additional absences other than the three (3) total absences per class per semester must be made up by the dancer in an additional studio class or by scheduling a private lesson. If the dancer does not complete a make up class or rehearsal it may result in changes to their participation in competition performances.

**Event Attendance:** Each dance company member must attend all required conventions, competitions, and additional scheduled performances. Any dance company member who does not attend a scheduled competition, convention or performance will be dismissed from DANCE est Joie, Inc. Any dancer with an unexcused absence for a scheduled rehearsal two (2) weeks prior to competition will be removed from the dance for that competition.

Being part of DANCE est Joie, Inc. is a team effort and attendance is very important to all members. Dance teachers do understand that they are dealing with busy children and socially active teens with many academic and extracurricular demands; being a well-rounded individual is important, however, when it comes to participation on a team, in order to continually progress, dancers must be present.

All members of DANCE est Joie, Inc. are required to take weekly technical classes including ballet, tap and jazz, as well as at least one additional style of dance, such as lyrical, contemporary, musical theatre, hip hop, pointe/prepointe. Dancers will be leveled into the appropriate ballet, tap and jazz classes. Beginning in September 2021, all DANCE est Joie, Inc. members will be required to participate in a weekly technique, conditioning and injury prevention class. Each class will take place prior to or immediately following a group dance rehearsal.

### **Explanation of fees and payment schedule**

Competition, convention and group choreography fees will be determined in July, as I will have to wait for each competition/convention to update (if necessary) their fees for the 2021-2022 season. This is a combined total of convention fees and competition fees. For competition company dancers, a total of three \$300 deposits will be due. A deposit is due on July 1st, August 1st and September 1st. Deposits will go towards your dancer's total competition, convention and group choreography fees. A payment schedule for any remaining balance will be determined at a later date. If your three deposits total more than your overall balance due, I will credit your account to pay for costume fees. For performance company dancers, a total of three \$150 deposits will be due. A deposit is due on July 1st, August 1st and September 1st. Deposits will go towards your dancer's total competition, convention and group choreography fees. A payment schedule for any remaining balance will be determined at a later date. Fees must be paid in full prior to participation in an event. The dance company director will not be held responsible for personally financing a dancer's participation in an event. If your three deposits total more than your overall balance due, I will credit your account to pay for costume fees. For dancers in both dance companies, please refer to the payment schedule for competition company dancers. Conventions fees (estimated cost \$225 to \$300.00) and competition fees (estimated cost \$35 to \$125 per entry per dancer) are paid for by the dancer. Dancers pay their own expenses for travel, hotel, and food. An adult must accompany any dancer under the age of 18. All fees are non-refundable.

Competition costume fees are due by October 1st. Costumes may include tights, shoes and additional accessories as needed (estimated cost \$85 to \$125.00 each). Costume fees are non-refundable. A detailed invoice of your dancer's costume fees will be sent in late August.

A yearly company membership fee per dancer is due by July 1st: \$75.00 (factored into your first \$150/\$300 deposit)

DANCE est Joie, Inc members will be responsible for ordering an official dance company warm up jacket and dance bag. The estimated cost is \$110-\$120 for both items. The total of each item is dependent on the number of items in our order.

A \$5.00 administration fee will be due for each convention and competition. This fee will be factored into your overall fees due. This fee also applies to all required and optional events.

Rehearsals for group dances will begin in August. The rehearsal cost is \$30.00/per dancer/per competition dance/per month. This rehearsal fee will be added to your monthly tuition expenses due on the 15th of each month beginning August 15th, 2021 and ending May 15th, 2022. ## **What to Expect at Competitions and Conventions**

### **What is a dance convention?**

Dance conventions are events that consist of many different classes from many different choreographers that are usually well known to the dance world. During a dance convention, you can expect to build friendships, adaptability skills, confidence, resiliency and strength as a dancer.

### **What is a dance competition?**

Competitive dance is widespread sport in which dancers perform dances in any of several permitted dance styles—such as ballet, contemporary, jazz, hip hop, lyrical, modern, musical theatre, tap, and improv before a common group of judges. It is important to understand that the “competition” aspect of being a member of a DANCE est Joie, Inc. company member should be considered a “performance” opportunity. Competition results are strictly a subjective opinion, and each dancer’s growth should not be completely gauged by their scores or achievements at competitions. It is important to keep competition experiences positive, and most importantly, be proud of the growth and development that takes place within your dancer. Team members are not in competition with each other. Students are encouraged to strive to improve themselves and to work to their full capacity. Each dancer is uniquely different, each with their own strengths and their own weaknesses and each brings their own talent to the team as a whole.

### **Advice from veteran dance company parents and dancers**

Dance competitions and conventions are incredibly fun and a great team and learning experience for your dancer. There is potential to earn awards and scholarships, but the primary focus should be to have fun and grow as an individual and team. Not everyone gets the opportunity to learn from these outstanding teachers!

You are not required to stay at the company’s host hotel, however, this tends to be a convenient open for dancers and attending family members. Book lodging as early as possible. If choosing to stay at the host hotel, ask about group rates being offered for dancers. Some hotels have refrigerators. Be sure to ask for one when placing your reservation, as it’s not standard in every hotel or room. If choosing valet parking, be prepared for the valets to be very busy when the event’s closing show ends. While it is a convenient option at times, this can be a hectic and time consuming process.

Don’t hesitate to travel or share a room with other company members and families. Splitting costs can be very helpful.

Schedules for competition and convention events are usually available on the company’s website 10-14 days prior to the scheduled event. When the schedule is available, print a copy for you and your dancer, or take a photo on your phone. It’s possible that dancers will need to miss school or a portion of their school day on the Friday of the competition weekend if it’s necessary for events to take place on Friday. Unless a dancer is scheduled to participate in any Friday events, you are not required to be at the event until Saturday morning. If you feel there is a possibility your dancer will perform early on Friday morning (this is common for soloists), consider booking a room for Thursday night as well. Once the event schedule is released, you can update your reservation. Events will end on Sunday afternoon after the company’s closing show.

Convention classes will begin in the morning and last into the afternoon, similar to a regular school day. Dancers should bring all of their dance shoes and sneakers safe for dancing. Encourage your dancer to dress in layers. They will be cold, then get hot from dancing, and then cold again. Dancers are required to participate in all classes and auditions. Dancers will receive a convention wristband, which allows them into all convention events, and an audition number, which is worn during all classes. Aside from scholarships from auditions, some scholarships and acknowledgements based on the instructor's observations are awarded as the event's closing show. Don't sweat this part of the convention experience-remember to always have fun!

Dancers will have a scheduled lunch break. It's very unlikely you will have time to leave the event venue for lunch. You're encouraged to plan ahead for meals for your dancer and family members. Snacks and water are a must, especially to keep your dancer fueled for an evening of dance competition after a full day of convention classes! Send your dancer with a lunch box or small ice chest so they can snack in between classes. Choose healthy and nourishing snacks and meals. Most of the dancers like to eat lunch together in the convention rooms. They love to hang out together! I try to look at it as a great team bonding experience and memories to be cherished. Additionally, bring breakfast foods that can be eaten in the room before going to classes and water bottles that can be refilled.

Most conventions will require you to purchase an observation band if you would like to observe your dancer in their convention classes. You are not required to watch your dancer in their convention classes. If you are observing classes, bring a light jacket or a small blanket if you get cold easily. Observation bands are not required for the competition or the closing show. If you feel comfortable with it send a camera or device with your child to take pictures. They will want pictures with their teammates and their convention teachers.

When considering expenses for weekend events, you may want to factor in extra money for professional pictures and videos. Occasionally, we are able to work our group rates, but the rate can vary from \$80-\$200 per dancer depending on the number of people participating in the deal, the number of dances your child is in and which company we are working with. Also, companies sell merchandise such as pants, hoodies, sweatshirts, tanks, etc. There's always so much to choose from!

Watch YouTube tutorials for instruction on applying competition make up and false eyelashes. A list of makeup must-haves is listed below:  
Eyes and eye area: neutral colored eye shadows and liners, mascara, false eyelashes and eye brow powder/pencil. While some eyeshadows will have a shimmer, do not use any glitter. Do not wear body glitter. Female dancers will wear false eyelashes.  
Face: foundation, setting powder, blush, bronzer  
Lips: Maybelline Color Sensational Creamy Matte Lipstick Divine Wine #695

Create an emergency kit for competitions, performances and recital. This can include double-sided tape, bobby pins, hair nets. Craft boxes are great for storing these items! If you are in multiple dance routines, you may benefit from having a "Dream Duffle" or similar bag to organize, carry and hang costumes. Label everything! This includes but is not limited to your shoes, costumes, accessories, garnet bags, duffles, dance bags, etc.

Competitions are fast paced and fun! Wear comfortable shoes! The competition setting is more relaxed. You are allowed to leave your seat between routines. It's understood that your dancer may need your assistance in the dressing room. A detailed costume checklist for each routine will be provided by the dance company director prior to each competition. It never hurts to be prepared! Always bring back up items just in case: tights, hair stuff, undergarments, black dress socks (boys). It's better to have it and not need it. Bobby pins and safety pins are a must be-

cause something always need to be pinned down. A lint roller and portable steamer are great items to have in your competition survival kit!

Competition awards can be very confusing, as each company has their own name for each adjudication award, overall awards, etc. Details about awards and scoring are usually available on the company's website or in the program book (if you purchase one). Awards ceremonies are usually held a few times throughout the competition, and are the MOST FUN time of the weekend! Students are required to wear their team jackets on stage for all award ceremonies they attend. They are required to attend all award ceremonies that apply to their routines, but students often like to go on stage in support of others. Awards are the time to hoot and holler (parents and dancers), take pictures and sit back and relax. The most important thing to remember about awards is that all scores are the opinions of 3 or 4 judges. It's important that we acknowledge and congratulate every dancer and studio. Good sportsmanship is a must! Clap for your teammates and dancers from competing studios. Overall, we are all working towards the same goal-bettering ourselves through dance education and performance! When awards are complete, don't rush off! We always like to take group photos and don't want anyone to be left out.

### **Advice for parents of male dancers**

Make sure to bring hairspray, gel, a comb and a water bottle to the dressing room. The boys in the dressing room tend to show off for each other and have a big party so it will probably need to be fixed prior to going on stage.

You have to be proactive and make sure to find out where and when to meet. It is often necessary for a mom or sister to go into the girl's dressing room to check the status, location, etc. The boy's dressing room tends to be no where near the girl's dressing room. It is your (parent's or dancer's) responsibility to make sure they are ready and meet the female dancers backstage, on the red carpet for pictures, warmup area, etc. Communication is key! A meeting spot and time will be determined by the choreographer/director for routines including our awesome male dancers. Always pack extra black socks, brown socks, whatever is needed. They seem to disappear. Bring plenty of safety pins for pinning costumes. Male dancers will need to wear stage makeup. Get a masculine bag for stage makeup. It is easy to find a shaving kit type of bag. There's nothing like a mom bringing a floral makeup kit into the boy's dressing room.
